SIR,

With reference to Government Order No 5007-11 E3/Ed 115 dated the 27th September 1902 directing the investment in Government of India Securities of the amount of Rs 29,500 offered by Mr Doddanna Setty for endowing a Free school to be established at Bangalore, I have the honour to inform you that the amount actually placed at the disposal of the Comptroller for investment by Mr Doddanna Setty was Rs 30,000 which was deposited in the Bangalore District Savings Bank on 15th December 1902 A sum of Rs 29,496-0-11 was subsequently withdrawn and invested in Government of

India Securities of the Nominal Value of Rs 25000 The balance of Rs 503-15-1 still remains in the Savings Bank The interest on the securities amounts to Rs 2423-5-7. There is thus Rs 2927-4-8 in cash at the credit of the Fund.

2 Mr Doddanna requests that out of the interest that has accumulated Rs 2000/- may be paid towards the cost of the building which is in course of construction on the site near the Fort granted by the Municipality The building is estimated to cost about Rs 30,000, though according to the original estimate it was to cost Rs 10000

3 The interest on the investment is according to the terms of Endowment to be devoted to maintenance of the school when it is established As it will be some time however before the school is opened and the establishment charges come to be incurred, I beg to recommend that Mr Doddanna's request may be granted

I have the honour to be,
Sir
